

BELVY

WHITE BLEND

IGP PAYS D'OC

HISTORY

This wine is the result of passion and a reasoned viticulture. The grapes are carefully selected among our vineyards located on the different terroirs of Limoux (Languedoc Roussillon) which allows us to develop the best wine in terms of taste and quality while limiting our production to preserve our environment.

VINEYARDS

This white blend is the perfect combination of three terroirs: the minerality from the Upper Valley terroir, the roundness from the Mediterranean terroir and the freshness from the Oceanic terroir.

WINEMAKING

Mechanical harvest at perfect maturity. Alcoholic fermentation in concrete tanks then aging in stainless steel tanks. Light filtration and early bottling to preserve aromatic freshness.

TASTING NOTES

- **APPEARANCE**
Bright light yellow color.
- **NOSE**
Fruity nose, aromas of citrus and white flowers.
- **TASTE**
Light on the palate with a nice freshness.
- **SERVING TEMPERATURE**
Best served at 10 °C.
